Agent Guide to basic underwriting information and requirements for American National Insurance Company & American National Life Insurance Company of New York

For Agent Use Only; Not For Distribution or Use With Consumers.

## The American National Story

Chartered on March 17, 1905 by the company's founder, W. L. Moody Jr., American National began operations with \$100,000 of capital and \$20,000 surplus. Following a conservative investment philosophy, Mr. Moody believed that the company's profits should finance future growth, so American National did not pay dividends to investors in those early years.

Mr. Moody envisioned a company that would flourish for centuries. His conservative business approach created a unique corporate culture that remains the heart of the Company today. This culture has helped American National persevere through wars, hurricanes, economic volatility, extraordinary technological advancements, evolving products, and the changing needs of policyholders and agents.

American National remains financially strong and will continue to manage its business respecting the conservative principles of its founder, driven by its corporate vision to be a leading provider of financial services for current and future generations.

American National Insurance Company, headquartered in Galveston, Texas, is licensed to conduct business in all states except New York. Business is conducted in New York by American National Life Insurance Company of New York, headquartered in Glenmont, N.Y.

## How to Submit a Life Application

### Before Completing a Life Application Remember:

- The agent must be licensed and appointed, according to applicable state regulations, with American National Insurance Company before writing and submitting an application.
- Applications cannot be dated prior to the agent's license appointment effective date with the company.
- Any application submitted from an agent that is not appointed with the company will be held in the Administrative Office pending compliance with state licensing appointment requirements.
- If state licensing appointment requirements are not met, the application will be incomplete.
- American National is not obligated to accept any business that is not in compliance with state regulations.

## What are my options for submission?

American National currently accepts life applications in the following formats:

<b>Electronic application through iGO e-App®</b>	<b>Preferred Method!</b> Access via the IMG website or login to your e-Agent account
<b>ScanIt Application</b>	Scanned life apps can be submitted through your e-Agent account
<b>Faxed Application</b>	You can fax all documents to 1-888-237-1012 (not available for NY)
<b>Paper Application</b>	Paper applications can be mailed to: <ul style="list-style-type: none"><li>• Regular Mail: American National Processing Center, Life New Business, PO BOX 3297, Springfield, MO 65808-3297</li><li>• Overnight Mail: American National Insurance Company, Mail Processing Center , Attn: LNB 3297, 1949 E Sunshine St., Springfield, MO 65899-3297</li><li>• New York Regular Mail Life New Business - New York P.O. Box 4408 Springfield, MO 65808-4408</li><li>• New York Overnight Mail: Life New Business - New York 1949 E. Sunshine Street Springfield, MO 65899</li></ul>

### Life Application Tips:

- The agent should examine the application thoroughly and become familiar with it before completing the information.
- All questions should be asked and all answers recorded completely and legibly, using black ink.
- Dashes, ditto marks and crosses have no legal meaning and are not valid answers.
- All boxes should be marked with Xs and not check marks. Those questions that do not apply should be left blank unless instructions are given to write "none."
- The agent has no right to change a signed application without the applicant's consent. Every alteration, erasure, correction, or addition made on the application must be initialed by the applicant.
- "White Out" is not acceptable on the application.

## Important Information

1. The paramed service scheduling an M.D. exam should make every attempt to have the doctor also complete the blood profile to avoid multiple appointments for your client.
2. An exam by an applicant's personal physician is usually unacceptable.
3. Medical requirements will not be waived if the amount is reduced after the application is submitted.
4. An application written in excess of \$500,000, including accidental death benefit, must be written C.O.D. Any policy that will be Table 4 or over should also be C.O.D.
5. Amounts over \$3,000,000 will require a financial statement with the application.
6. HIV consent form should be collected by the agent at the time of application, and submitted to the Administrative Office if required by state.

**American National reserves the right to order any requirement it deems necessary for sound underwriting practice.** To obtain a copy of an abnormal blood profile and/or information from an APS on rated, declined or postponed cases, write to the address below. *(This written request must be over applicant/insured's signature and contain the name and address of the doctor whose records are in question.)*

**John F. White, M. D.**  
Medical Director

PO Box 1720, Galveston, Texas 77553**

## Declines, Postpones, Ratings ... Completing the Trial Application

If a proposed insured has **ever** been declined, postponed or rated with American National or any other company, no CWA is to be collected and no medical requirements are to be ordered. Our underwriters must first review the application and relevant medical records. A regular application should be submitted with the following wording placed in the field office checklist: *"Requirements not ordered pending offer."* (NOTE: The words Trial App or PIB should not appear anywhere on the application.)

### CWA Refund Checks

When a file is incomplete, declined, or postponed, the refund check may not be returned to American National for reversal. These checks may not be applied as CWA on a rewritten or reopened case. A new remittance must be obtained from the applicant in such cases so that no basis is established that would make the company liable for risks it has previously rejected.

Refund checks for declined and postponed cases (CWA) will be returned directly to the client.

### Special Notes

Exam and special test limits are based on the amount currently applied for, plus amounts issued within the previous 12 months. This includes policy increases and new applications.

## Preferred Risk Underwriting - Available on Designated Plans Only

Preferred risk contracts are designed and priced to produce better mortality results than can be expected from an average block of business. In other words, to support pricing assumptions, preferred lives must be better than standard lives.

## Underwriting Requirements Shelf Life

### Ages up to 65 (Standard Risks or better)

Medical Exams, labs, EKG's, and MVR's are good for 12 months on Standard risks or better. Underwriting reserves right to order "for cause" requirements. After 6 months, a new non-medical application with completed medical questions will be required. The company will also order a new prescription check and MIB after 6 months.

### Ages up to 65 (Substandard Risks)

Medical Exams, labs, EKGs, and MVR's are good for 6 months. Underwriting reserves right to order "for cause" requirements. A newly completed application or Good Health Statement may be required.

### Ages 66-75

Medical Exams, labs, EKG's and MVR's are good for 6 months. Underwriting reserves right to order "for cause" requirements. A Good Health Statement and updated prescription check will be required upon delivery if exam or fully completed application is over 3 months old.

### Ages 76+

Medical Exams, labs, EKG's, and MVR's are good for 3 months. May allow up to 4 months if there has been a complete physical in the medical records in the past 3 months. Underwriting reserves right to order "for cause" requirements. Updated prescription checks and Good Health Statements may also be required.

### Special Notes:

- Exam and testing limits are based on amount currently applied for plus amounts issued within the previous 12 months.
- A Good Health Statement is prohibited in NY when a Conditional Receipt has been issued.

## Financial Underwriting Guidelines

### Personal Coverage

(Income replacement and Estate Preservation)

### Earned Income Replacement Table

Age	Income Factor
18-40	20-30x
41-50	15-20x
51-60	10-15x
61-65	8x
>65	5x

### Estate Preservation Calculation (Ages below 70)

1. Assess value of net worth.
2. Apply reasonable factors for growth and years compounding to determine future value. See "Growth Rates and Years Projected for Estate Preservation" below.
3. Multiply future value by 40% (estate tax rate) = Total amount needed for estate preservation. Subtract any personal life insurance coverage not being replaced.

### Estate Preservation Calculation (Ages 70+)

Same formula as for ages below 70 as above except also subtract \$5,000,000 exemption

### Growth Rates and Years Projected for Estate Preservation

Use higher annual growth rates when asset allocation/situation indicates that higher rates of return could be reasonably expected:

Age	Years Projected	Annual Growth Rate
50 & Under	20 years	6% (10% max)
51-65	15 years	4% (8% max)
66-70	10 years	3% (6% max)
71+	7 years (If life expectancy is less use LE)	3% (5% max)

## Special Requirements - Personal Coverage (Income Replacement and Estate Preservation)

### Ages under 61

\$1,000,001-

- EIR (to be ordered by the Administrative Office)

1,500,001 - \$3,000,000

- EIR
- Financial Supplement (Form Series 4165 / ANY-4165 for NY)

\$3,000,001-\$10,000,000

- Financial Supplement (Form Series 4165 / ANY-4165 for NY)
- Inspection Report from First Financial or comparable inspection from another approved vendor that includes confirmation of income and net worth by CPA and verifies credentials of sources.
- If no third party confirmation on the inspection, underwriter will request written third party financials with breakdown of assets/liabilities and the last 2 years of tax returns. If case is purely an income replacement case, it may be sufficient to accept the 4165 in lieu of CPA breakdown of assets/liabilities, but third party income verification is required. (See Acceptable Written Third Party Verification of Financials Below)

\$10,000,001+

- Financial Supplement (Form Series 4165 / ANY-4165 for NY)
- Inspection report from First Financial or comparable inspection from another approved vendor that includes confirmation of income and net worth by CPA and verifies credentials of sources.
- Written third party financials with breakdown of assets/liabilities and 2 years of tax returns. (See below for acceptable forms of written third party verification)

### Ages 61+

\$1,000,001-\$3,000,000

- Inspection Report from First Financial or comparable inspection from another approved vendor. For ages 71+, this inspection will include confirmation of income and net worth by a CPA and verifies credentials of the source(s).
- If no third party confirmation on the inspection, underwriter will request written third party financials with breakdown of assets/liabilities and the last 2 years of tax returns. (See Acceptable Written Third Party Verification of Financials below).
- Financial Supplement (Form Series 4165 / ANY-4165 for NY)
- Premium Funding Intent (Form Series 10051/ ANY-10051 for NY) for ages 71+

\$3,000,001+

- Financial Supplement (Form Series 4165 / ANY-4165 for NY)
- Inspection Report from First Financial or comparable inspection from another approved vendor that includes confirmation of income and net worth by CPA and verifies credentials of sources.
- If no third party confirmation on the inspection, underwriter will request written third party financials with breakdown of assets/liabilities and the last 2 years of tax returns. (See Acceptable Written Third Party Verification of Financials below).
- Premium Funding Intent (Form Series 10051/ ANY-10051 for NY) for ages 71+

\$10,000,001+

- Financial Supplement (Form Series 4165 / ANY-4165 for NY)
- Inspection report from First Financial or comparable inspection from another approved vendor that includes confirmation of income and net worth by CPA and verifies credentials of sources.
- Written third party financials with breakdown of assets/liabilities and 2 years of tax returns. (See below for acceptable forms of written third party verification).
- Premium Funding Intent (Form Series 10051/ ANY-10051 for NY) for ages 71+

### Premium to Income Ratio

Gross Income:	% of income available for Life Insurance Premium
<\$50,000	Up to 10%
\$50,001-75,000	10-15%
\$75,001-100,000	15-20%
>\$100,000	20-25%

In the event that life insurance premiums exceed these amounts, please include a detailed cover letter explaining the reason and the source of the premiums. Underwriter may ask for detailed third party financial documentation in these situations.

### Non-Income Earning Spouses

- Allow up to 100% of insurance in force on the employed spouse up to \$1,000,000 if no dependent children (and up to \$2,000,000 if there are dependent children) as long as household income justifies the amount on the wage earning spouse.
- Amounts exceeding these guidelines would need a detailed cover letter explaining reason for face amount (estate planning needs, for example).

## Personal Loans

- Term of loan must be 5 years or more.
- Generally up a maximum of 75% of the loan.

## Juvenile Coverage

- Siblings must be equally covered.
- For amounts over \$250,000, parents should have at least twice the amount of life insurance. For up to \$250,000 will allow at least equal amount of coverage.
- Amounts greater than \$350,000 require facultative reinsurance.

## Charitable Coverage

- Multiply amount of annual giving by 10 for typical maximum face amount (average amount from the past 3 years x 10).
- Should have adequate personal coverage already in force.
- Cover letter explaining how face amount determined.
- For amounts over \$250,000 will require documentation of prior giving. Underwriter discretion below \$250,000.

# Business Coverage

## Buy/Sell

- Value of company multiplied by % of ownership to determine maximum face amount.

## Buy/Sell Special Requirements

- For amounts over \$1,000,000, Inspection Report with a Business Beneficiary Report. Inspection/BBR to be completed by First Financial.
- For Amounts over \$3,000,000, Inspection Report with a Business Beneficiary Report and business financial statements from the last 2 years.
- Completion of the Business Financial Questionnaire is strongly encouraged to be included with the application. Underwriter may request this questionnaire at his/her discretion.
- Completion of cover letter explaining the case and how face amount determined strongly encouraged.

## Key Person

- 10 x annual income to determine typical maximum face amount.

## Key Person Special Requirements

- For amounts over \$1,000,000, Inspection Report with a Business Beneficiary Report. Inspection/BBR to be completed by First Financial.
- For Amounts over \$3,000,000, Inspection Report with a Business Beneficiary Report and business financial statements from the last 2 years.
- Completion of the Business Financial Questionnaire is strongly encouraged to be included with the application. Underwriter may request this questionnaire at his/her discretion.
- Completion of cover letter explaining the case and how face amount determined strongly encouraged.

## Business Loan or Creditor Coverage

- Typically cover face amounts up to 75% of the loan.
- Terms of loan typically must be 5 years or more.
- Proposed Insured must be a key person.

## New Business/Start Up Companies

- Considered on Case-By-Case Basis.
- Total line of coverage not to exceed 50% of the loan or investment.
- Cover letter explaining amount and source of funding, experience of the owners in the field and their prior success strongly encouraged.
- Balance sheet and income/expense statements, pro forma statements and business plans should be submitted with the application.

## Acceptable Sources for Written Third Party Financial Documentation

- CPA
- Personal Attorney with supporting documentation
- Personal Banker with supporting documentation
- Financial Statement Questionnaire (personal and business) signed by CPA
- Tax Returns
- Brokerage Statements
- Bank Statements
- Audited Business Financials
- Property tax assessment or appraisal

# STOLI/IOLI, Premium Financing, and Rebating

## STOLI/IOLI

It is American National's policy that life insurance should only be purchased to provide protection to those with an insurable interest in the life of the insured. We will not knowingly participate in life insurance sales motivated by the possible sale of policies in a secondary market or participation of investors in policy death benefits. This includes Stranger-Owned Life Insurance (STOLI), Investor-Owned Life Insurance (IOLI), life settlements or viatication.

In order to control the issuing of policies intended for these purposes, we require that Form 4439 (ANY-4439 in NY) "Customer Identification Verification" be completed on all cases. If any of the questions on this form are answered "Yes," additional forms will need to be completed, per the instructions on the form. Form Series 10051 (ANY-10051 in NY) "Premium Funding Intent Form" will also need to be completed for all cases in which the proposed insured is age 70 or older and the face amount applied for is \$500,000 or more. Both forms are available in Virtual Forms on the IMG Web site.

## Premium Financing

American National does not currently accept any premium finance programs.

## Rebating

American National will not participate in any rebating or discounting of commissions in a life insurance sale.

## Underwriting Strengths

Preferred Plus	
<b>Cigar and Smokeless Tobacco User</b>	<ul style="list-style-type: none"> <li>• Preferred Plus rates for occasional cigar and smokeless tobacco users.</li> <li>• 2 times a month or less and negative specimen.</li> </ul>

Preferred	
<b>Sleep Apnea</b>	Individuals with this condition who are well-controlled, compliant with treatment, and have other favorable risk factors may receive preferred rates.
<b>Mild Situational Depression or Anxiety</b>	Mild situational depression and anxiety with favorable characteristics may receive preferred rates.
<b>Adult Attention Deficit Disorder</b>	Individuals with this condition who are very well controlled and do not represent any increased risk may receive preferred rates.

Scenarios listed in the Underwriting Strengths section reflect the best possible case and individuals with such conditions are not guaranteed rates listed.

<b>Preferred Exceptions</b>	<p>Our preferred guidelines require that we exclude preferred if there has been a death from breast, colon, lung, ovarian prostate cancer or melanoma in parents or siblings prior to the age of 60. We now allow for some exceptions for preferred:</p> <ul style="list-style-type: none"> <li>• <b>Colon Cancer:</b> Allow one family history of colon cancer death prior to age 60 for preferred rates if client has had a normal colonoscopy in the past 24 months (No adenomatous polyps or ulcerations consistent with inflammatory bowel disease). Limit to age 50+</li> <li>• <b>Coronary Artery Disease:</b> Allow for one family history of death from CAD before age of 60 with a negative Stress EKG with good exercise tolerance (at least 8 METS) in the past 12 months. Limit to age 50+</li> <li>• <b>Prostate Cancer:</b> Allow a family history of prostate cancer if current PSA is &lt;2.0 and there has been a normal prostate exam in the past 24 months. Limit to age 50+</li> </ul>
-----------------------------	---

Standard Plus	
<b>Prostate Cancer</b>	Ages 70+ with low grade prostate tumor treated with surgery may receive standard plus rates with evidence of good follow-up and no other significant medical problems.
<b>Type 2 Diabetes</b>	Type 2 diabetics' ages 50+ with good control and optimal control of other risk factors (blood pressure, lipids, build) may receive Standard Plus rates on any permanent product.

Standard	
<b>Coronary Artery Disease</b>	Ages 70+ with single vessel (right coronary artery) disease and other favorable factors, may receive standard rates.

Family History	
"Family history of cancer" only includes these cancers (breast, colon, lung, ovarian, prostate, and melanoma).	

Obesity	
Generous credits for individuals who have favorable risk factors such as optimal blood pressure readings, favorable lipids, recent favorable stress testing or an EBCT.	

# ANICO Underwriting Express Noninvasive Underwriting Program

- No automatic labs or paramedicals.
- Simply complete the full application.
- An underwriting decision will often be made within 72 hours when application is in good order and no additional requirements are needed.
- Underwriting utilizes the application, MIB, MVR, and prescription databases.
- If labs are required for any reason, the agent will be notified via e-Agent

**Faster Turnaround • Faster Commission**  
**Reduced Overhead Expense for You**

## Common Underwriting Express Questions

### What products are available to use under The ANICO Underwriting Express?

- Signature Guaranteed Universal Life
- Signature Indexed Universal Life
- Signature Plus Indexed Universal Life
- ANICO Executive Universal Life
- Affinity 7 Whole Life
- ANICO Signature Term

### What ages and amounts are included in the program?

The issue ages are 0-65 with face amounts up to \$250,000. Any insurance amount over \$250,000 or any applicant over age 65 will be subject to full underwriting.

### What do I do if my client wants more than \$250,000 of coverage or is over age 65?

The Agent would follow normal procedures when applying for a fully underwritten product. This includes using the same application (full application Form Series 10193) and pre-ordering the necessary requirements.

### Are commissions affected under this program?

This program does not change any commission structure.

### What if I think my client would be rated preferred?

Make sure the client weighs the benefits of a quicker, less invasive underwriting process versus the possibility of getting lower rates. Consider the option of purchasing more than \$250,000 which will require full underwriting.

### What Underwriting classes are available?

Under this program, Preferred Plus, Preferred and Standard Plus are not available. All other underwriting classes are available. An insured can be rated Standard or table rated.

### Is this Simplified Issue?

- No, Simplified Issue generally implies a short form application, non-medical underwriting with an accept/reject decision and in many cases, higher insurance premiums.
- This program requires a full application while maintaining the ultimate goal of rapid underwriting decisions and competitive premiums.
- Approved Employer Group simplified issue programs have been consolidated/simplified, and ANICO Underwriting Express can be used in situations where the group doesn't meet the eligibility requirements for the Approved Employer Group Simplified Issue marketing program.

### Is this Guaranteed Issue Life Insurance?

No. This program requires underwriting to maintain competitive premiums. Guaranteed Issue programs have limited death benefits, a benefit waiting period and higher premiums.

## When placing a case requires an extra underwriting edge, remember the **Eagle Advantage**

<b>Eagle Advantage</b>	
<b>Eagle Advantage is available to applicants:</b>	<ul style="list-style-type: none"> <li>Ages 20 to 60</li> <li>Face amounts \$250,001 to \$5 million</li> <li>Permanent and Term products are included</li> </ul>
<b>Standard Rating for Some Table 2 Offers</b>	Eagle Advantage can help you win those difficult Table 2 cases. Clients who would normally be rated as Table 2, due to various single impairments (see list of qualifying impairments at left), and some combination impairments, could get a Standard Rating through Eagle Advantage.
<b>Improvements in Preferred Classifications</b>	<p>Utilizing Eagle Advantage, American National may be able to offer a better rate classification that goes beyond the published preferred guidelines, provided there are positive offsetting factors on other preferred criteria.</p> <p>Applicants lacking one preferred criterion – one that has kept them from receiving the Standard Plus, Preferred, or Preferred Plus classification – are excellent candidates for Eagle Advantage.</p> <p>This program may help you place difficult cases that are being kept out of a favorable rate class due to a single variation from the normal preferred criteria.</p>
<b>About Eagle Advantage:</b>	<p>Eagle Advantage is a collaborative effort between American National and one of our reinsurance partners to better identify those cases that deserve an extra edge in rate classification improvement. You don't need to do anything. American National underwriters will automatically put your case through this program if it appears it may qualify. No papers are reviewed by the reinsurer. If for some reason an improvement cannot be made, there is no chance of losing American National's original rate class opinion.</p> <p>Of course, not every case will qualify for an improvement, but a significant percentage of the cases submitted will be improved.</p>

## Conditions that may be moved from Table 2 to Standard:

Anemia	Epilepsy
Anxiety	Impaired Glucose Tolerance
Asthma	Isolated e-GFR abnormalities
